

In Motion Recital Shows May 30-31, & June 1, 2025

Hello Dance Families! This year's Recital, held May 30-June 1, 2025, will include 6 Recital Shows: 2 on Friday night, 3 on Saturday, and 1 on Sunday. We will also offer an Awards show on Sunday, to conclude our Recital weekend. Each recital show will last approximately one hour in length. Higher level classes (levels 2A –up), will perform in two Recital shows. Lower level classes (levels 1B & below), will perform in one Recital show. The classes listed in black will perform in 2 shows. Classes listed in red perform in one show. Below is the list of our Recital shows and show times. Note our shows are subject to change based on enrollment. Note that the show listings do NOT represent the actual recital order. The final recital show order will be included in your 2025 Recital Packet which is handed out the beginning of April. We hope this information will be helpful to know upfront, especially when you have multiple dancers and are trying to keep them in the same shows! We look forward to having your family part of our 26th Recital!
